It is understood that when Agent Campbell starts for the other side of the world on a quest for plantation laborers he will go by the way of Sar Francisco and ascertain if the rumors to the effect that many of the plantation laborers who left Hawaii for the coast are desirous of returning here, are true. Such being the case it is possible that the planters' assowhich they may be brought back.

Castle and Cooke will dispatch the Matson Navigation steamer Honotu-lan for Kahului and Kaanapali tomorlan for Kahului and Kaanapali tomorrow evening, the vessel carrying cargo in transit for island ports. At Kahului about four hundred tons freight
is to be discharged and nearly two
thousand tons sugar will be loaded.
At Kaanapali less than a hundred tons
cargo will be left, at the same time
receiving a thousand tons sugar. The
steamer is due to return to Honoluiu
July 12th and sail for the coast at
ten o'clock Saturday July 15th. There
is a possibility that the vessel will
leave here with a full complement of
cabia passengers.

## STOCKS SHOW MORE BUOYANCY

mark for the year, stocks moved a little more briskly today than they have or some weeks, and several were given a good deal of attention by investors. Ewa opened the morning at 31.75, the advance over the price at yesterday's session of the Honololu exchange be-ing due to buying orders, and several good blocks went today at this figure. Waialua, however, was receding, selling at 199,50, the last recorded sales being at 110. But another shift set in, carry-ing the price-back to 110, and 200 shaeres were disposed of at this figure. At the session, Brewery stock was the feature, a number of transactions at

20.50 being noted.
The tariff cloud is still hanging over the local situation, and until further news is received from Washington, it is not expected that any large orders

Why IsIt?

A customer asked the other day---"Why is it that I always feel better in a hat with the Knox Label in it?" --- he had so long associated quality and correctness with the Knox Label that he had come to believe that the Label was sort of a talisman.

The label points the way---it has pointed the way for over 70 years to the HIGHEST POINT reached in hat making.

But it's always a true index; the sign-board of perfection; whether it be silk, stiff, soft felt or straw,

#### CROCKETT STRIKERS RECEIVE A SETBACK

Expected Help of Stevedores Fails When Union Orders Wilhelmina Unloaded.

Striking warehousemen formerly employed by the California-Hawaiian Sugar Refining Company at Crockett. received their first serious setback received their first serious setback pesterday, when all conjectures as to the probable attitude of the Riggers and directors, and for the and Rievedores' Union of this city toward the labor trouble were ended with the arrival of a stevedore creation.

The strikers, who have now been out three weeks, were assured ton days ago by the San Francisco union that the fact that stevedores worked side by side with non-union men in unloading the steamer Hilonian could not be taken as indicative of the union's final attitude. The union's action yesterday in dispatching a creto Crockett, however, has settled in the mifids of leaders of the strike and refinery officials that the stevedores do not contemplate a sympa

thetic strike. No overtures for settlement have been made by either side. Secretary directed to assume at once the duties James Fox of the Crockett union said of such clerk. the strikers are prepared to remain out permanently, and Superintendent Hartman of the refinery said that the company will not concede any of the

Strike breakers are still employed. and, for fear of a clash with union men, are guarded by deputies and spe-cial detectives, and have been forbidden to leave the company's property limits.

fight to have a summer White House on Lake Minnetonka.
